

FEE SCHEDULE

For over 65 years, Vantage has provided members with a wide variety of quality financial services at little or no cost. There are instances where Vantage must charge a nominal fee to offset expenses; however, in order to provide members with the best possible value, we strive to keep any account-related costs low for members. In fact, we have a number of services available to members free of charge, some of which we have listed below.

Many of the fees included in this Fee Schedule can be avoided rather easily. If you have any questions on how to avoid a particular fee(s), simply speak with a Vantage Financial Coach. We're here to help with all your financial needs.
